

Providing quality Seventh-day Adventist Education since 1882

PERMISSION TO WALK/RIDE FORM (Grades K-6 only)

It is our goal at Browning for each of our students to be in a safe environment after school hours. We provide a dismissal program that calls the children to their cars by a number system. We also provide after school care in our Discovery Program until 6 p.m. If your child is to walk or ride from school with someone else other than parents or guardians, we must have your written permission. We are requesting that you state a specific destination where adequate supervision is provided. Atlantic Union College and the College Church respectfully request that Browning students not remain unsupervised on their campus. Siblings from SLA are not allowed to pick up students from the Browning building and take them to the SLA building.

Child's Name: _____

Grade: _____

I, the parent/guardian, give permission for the above child to:

walk to _____ supervised by _____
Address supervisor
